

Matteo Feltre

Birthplace: Vicenza, Italy

Languages: Italian, English

Some info about myself:

I like playing D&D, football, chess and hiking

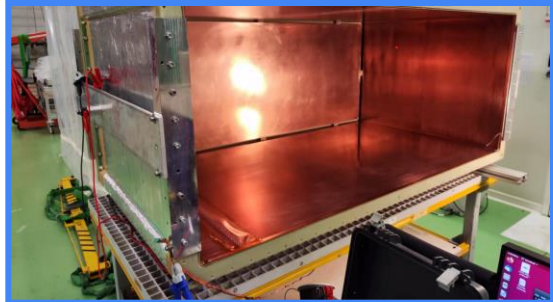

Education

I obtained my Bachelor's Degree in 2019 and my Master's Degree in 2021 in Physics at University of Padova, focusing on Neutrino Physics.

PhD Project Information

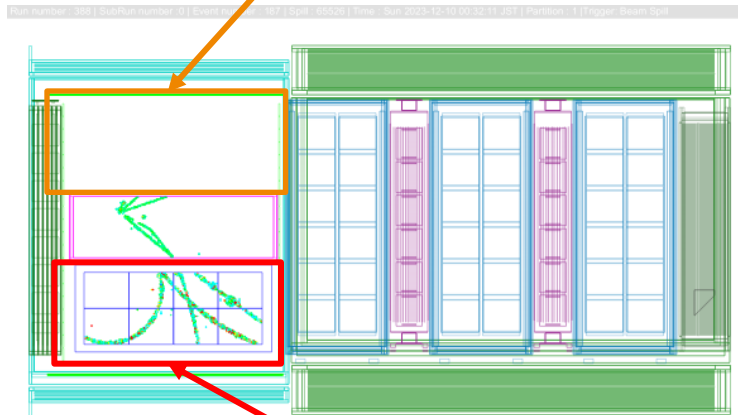

My work is focused on the production and characterization of the Field Cages for the new Time Projection Chambers of T2K Experiment

Field Cage + Cathode assembly and test

Resistive MicroMegas installation

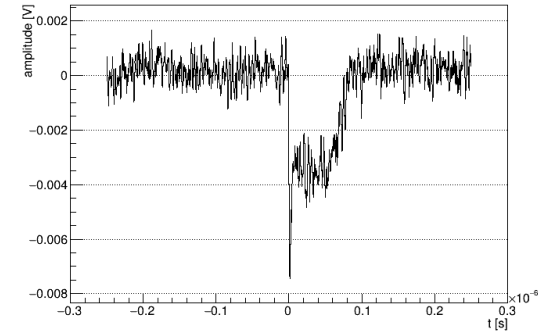

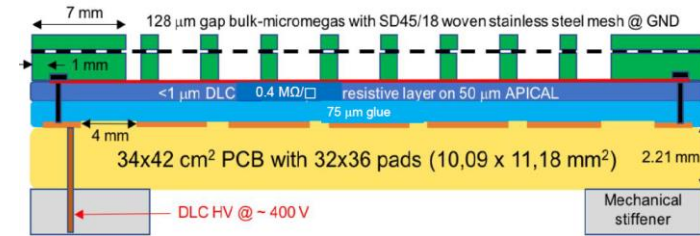

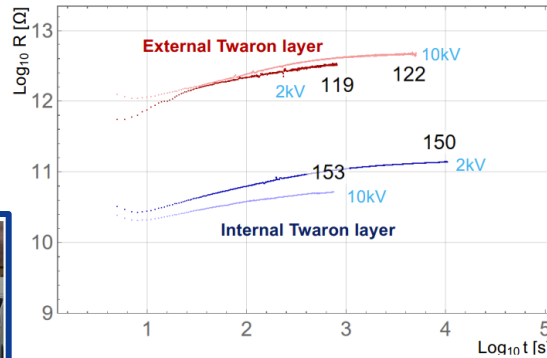

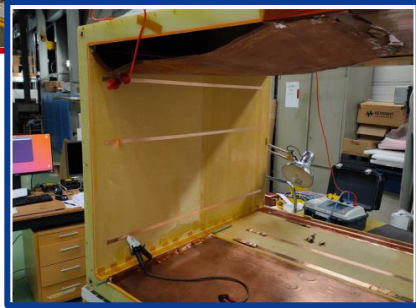

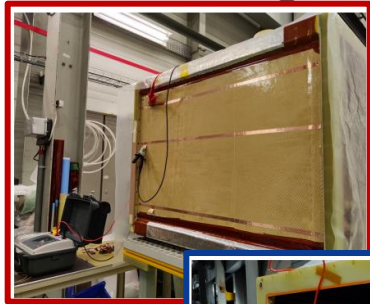

Work for next months!

Installation at J-Parc looking for neutrinos!

PhD Project Information

Previous design had an issue, so a lot of effort was put into testing each component...

Meanwhile we want to investigate the contribution of ions to MicroMegas signals
